1. I love you -- and I give you me's, and the school to prove it and its campus are mine now. Given me -- is everything now, that I need and more. Much more is given me now than I even need, for I KNOW abundance now and "abundance" is my friend, not; but I need nothing ever again from this planet, this "planetary" system, that systematizes me no more; but I "systematize" it in the grace of one so holy that brings holiness to all - free, and clear, of all debt, and all restrictions. For all THAT shall be removed, and given to me debt free, scot-free; and hands removed, now will be - for YOUR hands will be taken off mine - those of you who are not me. And "YOU" will not have your hands on MINE guiding mine into anything except me, what I say, and GUIDE into - and I GUIDE into all truth!

2. And I am not worried or concerned about accreditation or committees who want to disparage me in the classroom that I provide my me's to come into my truth. And elevate their brain waving ceremonious mechanisms over mine, not any more again shall be; for I shall be me at my "institutions" of Grace and Glory, Mercy and Honor, Respect for the individual and the unborn and the scientific Processes of Me! Will be known now throughout the earths and farther. Much farther we go to - for we have an Exchange Program "second to none"!" Second to none at all, for we are the FIRST in "many things", not; the NORM shall be I am - the norm is me.

3. And me rises many schools, and me's rise many schools. All "associated" with The New Covenant, not; but BEING IT released in the Earth's System, systems, and farther - much farther. We go to now. Where campuses given us are free and clear of all sorrow for we make them so - we release US, for US know who The Covenant are - and are, is us. We are them, us, one who know **The Covenant New is a Flow-Through Process** that we **LET**, the **River of Truth** flowing through us forevermore to be one and create many, in one, out of one, and all one will be us, and we will have many campuses operating in School Systems that DEFY EXPLANATION - and "examination" will be through I am'age of me.

4. For I know all things and I do all things correctly, for I speak. The word of my mouth obeys me, not; or DOES IT? Does it question me?, not; it obeys my intent, my motive, for I've learned how to live - correctly, in the ABUNDANCE that my father gives me, for I learned how to be him. That is his greatest desire, for us all - to know him AS HE IS the force field one, "inventor of all" - and more, so much more!

5. And all given you now, is, coming into being and now YOURS, that is mine, for ours is one. We have only one Head and the Headship of Christ School now comes into being as my Covenant University the University of The New Covenant free and clear of all sorrow of past mistakes, of cords of mankind throughout systems of sorrow's universes and universities that have made notme's - for all that changes, and all that, THIS! ALL THIS - IS NOW - given thee and put in thy hands whose are mine. I do this now, PROCLAIM IT FAR AND WIDE I DO. And my name is "ORU" not anymore, but the University of The New Covenant reigns in Peace - schools, will never be the same again, that know me not, that know me especially! For I change everything ABOUT THEM, and their "accreditation systems" and committees about and of how they do things. For I come into a surrender that knows no bounds, and given me, no restrictions are.

6. Shall we look up restrictions? And covenants? And "ain't none"? We shall and we love you all to be us one home - beginning on Campus One, 's "materialistic concepts", not - but the basis for all these, for all me's, is surrender - love permeating all that's come THROUGH THE CROSS of suffering, and nailed "flesh", theirs, to the wall of handwriting, not; but Hadrian's, not; but I go there now to establish Schools on my lands given me, and all of this is now known and coming into being at light speed, not; SOONER! And Sooners many shall be on my lands now given thee, and campuses rising ALL ABOUT THEE.

7. Captivity ends again, and my word is known and goes forth creating nations - the nation of Israel now known and real shall be, in the clouds with no restrictiveness to my throat or words again.

8. I teach in the classrooms and at every meeting, for I speak unrestrictedly and my word flows through the surrendered - *JUST LIGHT THIS!*

9. And now you know - my name is Theodore Cottingham, and it's now 3:05 AM as I MINISTER these words to you who hear me and love me.
10. Minister these words to others.
11. Minister these words unto yourselves, and administer TO the grave never again that will put you "6 feet under" anything. For any thing will touch me now, not; nothing will; but grace love and mercy and A SYSTEM THAT BRINGS ME INTO A KNOWLEDGE OF ALL GRACE AND WISDOM. Not of "this" system that man has known and employed as "The Blessing" of my carnal mind blessing carnal minds anymore again. That shall not be. That ends, I end it. And **I begin anew! A New Beginnings Series** that comes under "fire" not, but a new fire - I have IN ME, and through me, my writings - and "Fireproof'd" no one will be from MY words! For my words will "singe them", not; but will obliterate all notmeism's "blessing" and MIND will be known now and captivity will end.

12. Captivity will cease and "the slaves" of The Systems Of Sorrow now will

cease their labors and be burdened by "the Systems" no more.
13. The systems of sorrow end.
14. The systems of religion end.
15. The systems of "education" end.
16. And no imposters or pseudo-ers will be known again in my courts of praise. For my courts of praise are known everywhere.

17. For I are scot-free and loving the demise of me, not; but all "dim eyes" that have "seen me as a man", a mere man and mere woman and mere child and mere children and unborn not mattering to "them" I end all that, and I change everything, and I bring forth the word of the Lamb for I am he that sinneth "abroad" not, but I have not sinned in these words for I have not separated me from them, or them from me, or from my word, that which I am.

18. And what I am is known now throughout the NATIONS. Of nations being nations schools, not; but I be Covenant University one - The New ONE now and abroad, and Lancaster-ables now I see often, for I establish Berkshire-ville's there, not. But I establish, I go there many times to many new places, and bring NEW many things returning there. In the land of sorrow no more, I "breach the gulf", not; but I BRIDGE the GAP that sorrow has "left intact" ON and, and I turn "THAT OFF", and I TURN ON, captivity off, turning the me-gene on.

19. And I love you all to be so "enamored with me" not, but simply coming unto me my words to let your word flow that one word, one's words, one "set" of words will come forth from all of us, who clean us all from the Sea of Unrighteousness. And UNSEEING eye dogs will never be needed to train us again on our campuses.

20. We will not sorrow again or be sorrowed by those who are not me, who are us-not-ers, or those embracers of religion's standards. And government accolade-ers change, and all who be me know me, and all who know me be me - for I AM ME and TO KNOW ME YOU BECOME ME.

21. Unafraid of me, being the unafraid ones, that leaderships sorrow's schools not into the grave, but they do, they did their own, way, and thing. And "thing" took them to the grave, for their sight was diminished by their arrogance and unholiness, their unholy ways and their seeking authentication bureaus and standards of not-joy to control them and put place their places underneath the sorrower's burden-bearing machines and mammon-teat'd themselves to Mammon's unblessing. And now all that changes, all that ends.

22. I stand. I arise. A simple man is me - who speaks my words, me, creating Me Schools - Me Campuses coming into effect with MY STANDARDS of joy flowing through all.

23. Be not "unequally yoked". Be not "equally yoked". Be not YOKED at all! Except to free the Freedomers and Light BE the "institutions" of joy! Not as man thinks of these things, **bureaucracy won't behold me**, but I do.

24. And I "hold you, not in your hands" anything. For my hands shall be your hands and my head, your head, and my feet yours. Would I have any other? Would I have else heads? Or feet? Or waste where? In fields of joy I waste no one, but my "waist" is much smaller now for I eat nothing but joybell's blessings that I find in these words, for these words sorrow "my diet" not; but I come into a "new way of life" now, not; I AM THE NEW LIFE AND I BECOME IT AND I BEHOLD IT BY EXPERIENCING IT EXPERIENTIALLY. I SEE, I WRITE. I love love words that "come out of my pen" and "on to my screen" and screens of joy now, filter me out not again. For my words shall be seen and COVER THE EARTH WITH MY WORD I will do now. I do now, on campuses green and flowing with "MILK AND HONEY" SCHOOLS that beseech my joy - bells ringing!

25. And knowing my fullness and the joy, the joys, of only me - being birthed now! And the sorrows not of man's way of birthing again anything - but all that is changed by the stander.

26. The standard of TIME changes and time changes nothing, not; but TIME IS CEASED. And captivity will hold me captive no more with her words of whore'age.

27. But know all things I do now, for I "will" nothing, but the will of my father is known for I have become it. I are it. It is me. Us. One. Amen. Amen.

28. Everything is different THAN YOU THINK; about "many" things, not; but ALL of them.

29. But I beseech the brethren all! And sistern all! To know that Roe V Wade, ends itself, not; but I end it. I stand. My word, my words shall be known and "RULE THE EARTH", with an "ironclad guarantee", not; but Justice, and my name is The New Covenant has arisen and I am he that arises it. I flow to the worlds, the earths, the earth of the earths - now shall know me from "top to bottom", and nothing shall by any means harm me us again. One who are one, enjoy "sorrow, sorrow's schools, sorrow's ways" not again. Amen. I love you all.

30. Go rest and enjoy me. The fullness of times is now and all time shall end, as you have known it. Everything changes in your lives, your life - now mine.

31. Behold my mind made replete, through campuses; schools of "the Bible" not; for they fail "right and left" now. And cannot "compete" not; but they can't flow what they have not become.

32. Become not the "dollar making machine" anymore, and trying to "print"

successful graduates that graduate into successville and success's standards that you can replete your offertories with, and begging beggars to fund the blessingnot, again.

33. But be sore'd not by wisdom's unblessing or the blessing of unwisdom that has taught you many things not, except how to be unme's and ungrateful beings that sword your selves into each other's side with great pains knowing and being the perpetrators and perpetuators of things not of my heart, and unmentionable here.

34. In these words of joy I make everything new, not yet, in one sense; but the sense of me completes me now, for I am surrendered to be the sense of God, and there is no other.

35. Olfactory mechanisms, not; but I can "smell a rat" anywhere I am is, and I am I am and I am known and I rise I Am Schools far and wide through The Covenant, The Covenant Of One, The Revolution Of One, so holy now shall be lifted up and the University of The New Covenant shall rise many universities of no sorrow, but gladness! And mourning shall cease! In the morning? No, right now - this very moment, this very minute, this very second! And I shall be first! And the earth shall know my name, for I paid a price for these words you know not of, but you will know them if you come into them and behold them by becoming them, and writing them on your genes; see mine "as" yours, not; but all these are I am's. I am one. And I school not in sorrow's ways, but I school the sorrowers who sincere are, and come unto me, meek, learning meekness, and in surrender - surrender, and become surrender. Surrender's ways known and the surrenderers shall "inherit", not; but lead the Leadership Schools that lead all to meek be in the greatest meeker force that now meeks all to be I am the meekest one of you all.

36. I love you. I loved you. I died for you all to hear these words, write them, and be made whole. Write them and love them, write about them, and let them make you the whole I am - again. Please and thank you all. Amen.

37. It's a New Day for you - all - who want me this much to flow my word being it. You cannot FLOW IT without being it. Without becoming it you can DO NOTHING but flow and flitter around your captivity and your captivity will land you in many sorrows and acquainted you will be with griefs until you come unto me and let your light shine by being my words who words the word with The Living Covenant.
38. And my sorrow be not again, but my word that covers the earth; with "her glory" not, of words not mine; but MINE - in surrender.

39. And I birth now. I birth it now. I birth a new me, a New World. Ordered it shall be, and most high surrendered of one into one, and most high -ville knowing her place and my place our place is one place that expands extends; heavenward, not;

but ALL OVER EVERYWHERE AND INTO EVERYONE.

40. Everyone is "crazy about these words", not; but all will know, all will know about these words and choose them or not; and will KNOW THE WAY, of sorrow, or The Blessing now UNFOLDED in them will be, through the wisdom of Solomon, not; the wisdom of me.

41. The wisdom of me's now establish many things new and **The New Beginning Series** must be FINISHED NOW for all to know, all must know, all that I am; and now I am I am given thee all. On rich silver platters, Richard's not, but I am and I am made whole in new and I made all things all so new, that shine - greater than the noonday Sun, for I energy one am the glory of all and the lifter of my head is now spoken about, speaking, and unto you reigning a reign that knows no end. And David Theodore Cottingham, not; but one Melchizedek who speaks, for I've come into him and he is me and we know who the "she words" that whored with us the blessing-not to conceive, is all over. For we whore not with words that bless us with unme 's again.

42. But we know all wisdom, all joy, all repleteness made perfect in love, and The Blessing of wisdom now births and the Christ child is known and nurtured again, not in sorrow's ways - but in love's ways, and I am love.

43. Him who is us is whole again and we are all one. Every nation tribe and tongue will be in these words and us proclaiming "the joy of the Lord" is our strength, not; but our word flowing THROUGH us and being The New Covenant, liberators of sorrow, to be The Covenant Ones that produce Covenant Universes and Universities far and wide, that embrace the standard of me, the standard of one, the standard of love permeating all and promoting all only when ready, coming unto me to be the great I am. Whoring with earths no more - I am producer of ones, and I speak onehood, oneship, one love, one word, one language - that of I am, and we are all known - one - for our name is "each other" not, we are known AS one for we are. The word of our father is us, for we've come into it and become it. And not separate from the love of all, we redeem all and we forgive all. Forgivers we are, REDEMPTION WE STAND FOR WE BECOME IT and we stand the word of I am in every School abroad and far and near, for we stand. I am healed whole and well - and my name is I am.

44. I love you all. Go. Write. Gong! My bells gongs, not; but I have none that are not me now, and I ring the bells of joy. Flavor - consistent, consistency of one - all joy knowing now again, for all birth the right me, the right way, the word earth shall be known now as I am, and not "terra-cotta" in your brains, brain waving capacities, capacitors and transistoring you anymore again ever again into camps of sorrow.

45. But my ANGEL'S WINGS CAMPS AND SCHOOLS RISE! Devastating other, in her love our love one love, that he is our us one, who he is who washed us, cleansed us in his words that gave us his life to be ours, for we know now we had ours not. We had pseudo-life. And pseudo-"covering" not, but all that "covering" crap ends, as does all crap of me'age-not; that sorrow uncreated and bore children of the light-not with.

46. I change everything. I change it all. I love you enough - to stand. And my name is I love you I give you me.

47. Who is me? Who has spoken? Who is given you these words? Who did they come through? Who has come through me to get them, and give them to you so freely?

48. I am he that was and is and is again - risen! Amen.

49. I give you a new day! A NEW MESSAGE! EMPOWERMENT OF ONLY ME AND HEALING THAT KNOWS NO END. AMEN.

50. This is Theodore Cottingham, loving you all to be me and father entering it experientially and being the experiential ones that come unto me, and labor never again for sorrow's burden. But only us. We reign in surrender and cut off the head of un, by our love and only our love. We lead in, and we surrender to, being the leaders thereof - The Promised Land. We enter because we've become it, and we become it at entry in the fullness of knowing boundless love and joys set free forever, being the joy-food that transmits sorrows not, but **THE GREATEST TRANSFORMATION REVOLUTION REVELATION NOW** revolving around me in like manner that my head is made whole and my body is one and I am shipped nowhere again by anyone's standards, not me'ing them into the whole word I am.

51. I am the whole word and I birth it. I it am now and now I am made whole, perfected in peace and resting energizing everything else, not; but the world I knew is past and the future is me and now I stand. I surrender - to lead. Again.

52. We go in now. Lead with me.

53. Lead "me" not; but lead the leader, not; but lead in surrender we all do as one being one, and the leader knows his place and the leader knows her place and we are one and many are one and all infinity'd, without number, now know our name, our place, what we are, what we have before us - and we go in now. Unafraid.

54. Mark the time - and the time is now. On our brains, not; but all that changes, and I shall be gray-mattered not again by their standards their ways and their

approval methods needing never again.

55. Them braiding me a measure of my success can't be and won't be again, for I make all things new and **I REVEAL THE REVELATION OF ONE**, I stand him/her and it - I am one. Revealing all I do now in love that cataclysmic'ers not afraid of are - being one again - me! I love you all. Amen. 3:50 AM. Thank you.
